

### Broadband Satellite(SATCOM)

- DTH antenna manufacturing
- APNA DTH (Antenna & STB)
- SoT Antenna Systems for SATCOM STB for SATCOM Projects.
- Educat Projects
- SATCOM Projects

### Broadband Cable Systems Headend Systems

- Analogue & Digital Headends
- Super Digital / IP Headends
- Headend Multipliers
- HITS Headends  
Set Top Box for Cable TV with CAS  
SD/HD/DVB-C/ DVB-IP
- CATV & STB Projects

### Fibre Optics Technology products & Solution

- F.O. products for Video-Audio, Broadcast and Cable TV
- F.O. products for L, S, C & Ku bands
- F.O. products for telecom and home networks
- Projects for FTTH and FTTX.

### Video Audio Products & system solutions

- Analoge Products
- Digital Products
- VSA Products
- Special Products
- Accessories
- Fibre optics

### Set Top Box (STB) and CAS products & Solution

- Outsourcing and branding STB
- Manufacturing STB
- Integration of CAS with Headends & STB

### Broadband Wireless(GSM-2G-3G)

- GSM interactive STB for Satellite, Cable, Radio, Web and IP networks
- GSM gateways for tele conferencing and Video Conferencing
- GSM based data transmitters, receivers, data loggers etc.
- GPS/GPRS Systems.

### Turnkey projects, solutions & system integration

#### Satellite Broadband

- APNA DTH
- STB/STB
- DTH & SoT Antennae
- CATV Cable Headend/Systems

#### Cable Broadband

- DTH/ CATV Headends
- Cable STB/STB and accessories
- HITS/HD/SD
- SD/HD/ DVB

#### Wireless Broadband

- GSM/ GPRS Products
- GPS/ GPS
- GSM Conferencing & Teleconferencing
- GSM Interactive STB for Cable TV & Radio

### CCTV and Security Systems

- CCTV & Security projects for Space & Defense.
- CCTV Security projects for Govt. Dept. Industry  
CCTV Security projects for buildings & apartments in association with Turnkey.
- Highly specialized CCTV systems for Space, defense, industry etc.
- Video-Audio products for CCTV and Broadcast applications
